## WORK EXPERIENCE

### IBM SkillsBuild (via CSRBOX) | Remote

Front-End Web Development Intern

June 2024 - Aug 2024

- Successfully completed a 6-week internship focused on front-end web development.
- Developed responsive UI components using HTML, CSS, and JavaScript.
- Collaborated on project-based assignments, following best practices for web design.
- Gained practical exposure to real-world front-end development workflows and version control.

## EDUCATION

### Rao Birender Singh State Institute Of Engineering And Technology

Bachelor of Technology in Computer Science

Sep 2022 - June 2026

### Class 12th

CBSE Board

Mar 2021 - April 2022

- Scored 83% (CGPA: 8.74)

## PROJECTS

### Personal Portfolio [🔗](#)

Apr 2025

Designed and developed a responsive personal portfolio using React and styled-components, hosted on GitHub Pages. Showcases my projects, work experience, and contact information with a modern, user-friendly interface.

### Spotify Clone [🔗](#)

Jan 2025

Developed a responsive front-end Spotify Clone that replicates the core design and functionality of the original music streaming platform. The project features a clean UI with music controls such as play, pause, next, previous, and progress bar functionality.

### Restaurant Website [🔗](#)

Oct 2024

Developed a multi-page restaurant website with dedicated pages like Home, About, Menu, and Contact. Designed an engaging user interface with high-quality visuals, intuitive navigation, and consistent layout across pages.

## SKILLS

**Front-End Development:** HTML, CSS, JavaScript, React

**Back-End Development:** MySQL, Node.js, Express.js

**Version Control:** Git, GitHub

**Web Development Practices:** Responsive Design, UI/UX Principles

**Development Tools:** VS Code, Cursor, Project IDX

**Problem-Solving:** Debugging, Algorithm Design
